Win Win Charity

is a 501c3 national nonprofit based in Las Vegas that brings smiles to children in hospitals by arranging in-person and virtual visits from professional entertainers, athletes and celebrities. Win Win is 100% volunteer supported. All performers donate their time and talent for all events.

Our weekly virtual program Win Win LIVE streams to 50+ children's hospitals nationwide, and provides our hospital partners (and their patients and staff) with access to our content on-demand.
